Star Teacher!

We are so proud to celebrate Miss Tonia as our Star Teacher! She has been a beloved member of the Bunny Bunch family for over 15 years, and her dedication, passion, and heart have made her an incredible asset to our team from day one. Currently one of our Infant Room lead teachers, Miss Tonia has also spent many years guiding little ones in our Toddler Room. With this experience, she does an exceptional job preparing our older infants for their next big adventure. She brings learning to life every day—reading stories, exploring shapes, colors, and numbers, and making every moment fun and meaningful for the children in her care. As one of our morning openers, she sets the tone for success each day with her reliability, organization, and warm, welcoming spirit. Her coworkers know they can always come to her with any question, and she is quick with an answer, a solution, or a helping hand. Her dependability and knowledge make her someone everyone trusts and appreciates. The love she shows each child is unmistakable. Her current students—and even former ones—light up when they see her, greeting her with joy whether they're coming into the Infant Room or she's visiting other classrooms. Families adore her, children adore her, and we couldn't imagine our Bunny Bunch community without her. Thank you, Miss Tonia, for your kindness, your commitment, and your willingness to jump in wherever you are needed. Congratulations Miss Tonia, we are truly grateful to have you on our Bunny Bunch team!
