## Star Teacher!

We are excited to recognize Miss Lexi as this month's Star Teacher of the Month! While she's officially been working at Bunny Bunch for a few years now, Miss Lexi has been part of our family since she was a little one herself—she's a proud Bunny Bunch Pre-K graduate! Miss Lexi is one of our outstanding teacher aides at Townline who always goes above and beyond. She has a natural gift for connecting with kids, every child she works with feels loved and special. What we especially love about Miss Lexi is her incredibly positive attitude. Her energy is contagious, her smile is constant, and her creativity brings so much fun to the classroom. Whether it's a new game, craft, or activity, Miss Lexi is always thinking of ways to make the day exciting and meaningful for the kids. It's clear to anyone watching that she genuinely enjoys being with the children, and her patience and caring nature shine through in everything she does. Her dedication is especially evident this summer, as she's been working closely with our summer camp kiddos. From coming up with fun, engaging activities to sitting down and playing with the children one-on-one, Miss Lexi makes sure each child feels included, supported, and happy. It's already shaping up to be an amazing summer thanks to her! Miss Lexi is not only loved by the children, but also by every staff member who works with her. She is reliable, hardworking, kind, and an absolute joy to have on our team. We truly cannot say enough good things about her. Thank you for all that you do, Miss Lexi!! We love you!!!
