We are thrilled to recognize Christiana as our Star Teacher of the Month at our Ward Road location! Since joining Bunny Bunch at the end of 2023, Christiana has quickly become an invaluable member of our team. Her dedication, warmth, and positive attitude shine through in everything she does, making a lasting impression on both the children and her fellow staff members. Christiana primarily works in our Infant Room, where her gentle care and attentiveness ensure that even our youngest learners feel safe, loved, and engaged. However, her versatility and willingness to help wherever needed have made her a trusted and respected presence in every classroom she steps into. Whether she's comforting a baby, playing with toddlers, or helping a coworker, Christiana always brings a bright smile and a can-do spirit. Her afternoons are spent not only caring for our children but also making sure our classrooms are set up for success the next day—an often-overlooked task that she handles with incredible diligence and pride. Christiana consistently goes above and beyond to create a welcoming, fun, and safe environment, and her natural ability to connect with both children and adults is truly special. We are beyond grateful to have Christiana as part of the Bunny Bunch family. Her contributions make a difference every single day, and we honestly don't know what we would do without her.
