Infant News

“Spring has Sprung” is the theme this month in the Infant Room. The babies had so much fun last month, and they cannot wait to celebrate the new season and the Easter Holiday! This month, the children will find themselves preparing for Spring and Easter by creating a variety of fun and cute crafts. Some of the crafts include gluing feathers on a duck, painting with Kool-Aid as well as decorating a cloud and a kite. We will be teaching the children new songs and reading books about Easter and Spring. Little bodies will keep busy and in shape through physical activities such as the Bunny Hop, stretching, throwing balls, and walks outside (if the weather permits)!

Hop, hop, hooray! Payton is the Infant Room's Star of the Month! Payton has certainly grown so much since beginning with us at Bunny Bunch!

She has mastered the art of crawling and pulling herself up! We guarantee it won't be long before she starts walking! When she's not on the go, Payton is a cuddle bug. She loves to snuggle with her teachers, and with stuffed animals. This brown haired brown eyed cutie has a great smile which she gives often. Payton has a happy, easy going personality. She loves to listen to stories, and claps along when we sing songs. Keep up the good work Payton! We love you!!!

Pre K 3 News

Last month was filled with adventures of dinosaurs, leprechauns, and the arrival of Spring. Now it's time to continue on with Spring and get ready for Easter and the fun activities that the month of April will bring! We start the month with "Weather for Ducks" and "'B' is for Bouncing Bunnies." During these weeks we will be marble painting, tracing, and making a button bunny to name a few things. Next we have "Easter Eggs and Bunnies." This week will be a celebration of all things Easter. We finish off the month with "Radiant Rainbows" and "Butterfly Magic." The Pre K 3 room will be filled with magical colors and wonderful butterflies! We are excited! During this time we will also focus on colors and continue our discussion of the weather changes. We cannot wait!

The Easter Bunny brought Nathan as one of the Stars in Pre K 3! Nathan is an adorable little boy with brown hair and eyes. He is a very active little boy and we bet he cannot wait for the weather to get nicer so he can run and jump around on the playground. Nathan loves things that go. Trucks, trains, cars, you name it. Maybe we have a budding mechanic on our hands here? Either that or a race car driver! Nathan does enjoy giving hugs to his teachers. When it comes to circle time, Nathan often picks line leader. He takes his job very seriously. Nathan always has a smile on his face, and that makes us smile. Keep up the good work Nathan. We love you!!!

Pre K 3 News continued...

Who else is hopping on the Pre K 3 Bunny Trail? It's Owen! Owen is a brown haired grey eyed cutie pie. Owen has a very sweet disposition. He is very kind to all his friends and plays very nicely. He likes to play with the pirate ship, dinosaurs and the wooden blocks. Those centers allow his creativity and imagination to really come through. Owen is a great big brother to his sister Ellie. He likes to make sure she's happy and having fun. Ellie is so lucky to have Owen as a big brother. Owen is a bright boy! He has made great strides in writing his name and in knowing all his letters! Keep up the good work Owen. We love you!!!

The children will have fun decorating Easter Eggs, counting jelly beans and making a sun with their handprints. We finish the month with "Flowers All Around" and "Community Workers." The class is also making good progression with practicing sight words and is on the right path for Kindergarten!
