PRE K 3 & 4 News

June is here and a new month of excitement is about to unfold! The Pre K 4 students have been practicing and preparing very hard for their graduation. We will miss all of our preschool friends that are moving on to Kindergarten. We send them off with a pocketful of smiles and an abundance of curiosity as well as enthusiasm for a new adventure in learning. Good Luck class of 2014!

With the close of the preschool year comes the start of our summer program. For the summer months, the Pre K 3 & 4 classes will be joining together and will follow the same monthly and weekly themes and activities. The emphasis will be on small group work which will allow us to focus on each child's individual needs. Each child will participate in 4-5 centers each day along with making cool crafts, playing games and participating in fun outdoor activities. The children will continue to work on numbers, colors, letters, shapes, and rhyming, along with gross and fine motor skills. Our goal is to reinforce the previous year's learning, while preparing your child for the coming school year.

"Jump into Summer" is the theme for the month of June. Our weekly themes include "Birds," "Bugs," "Weather," and "Summer Fun." The first few weekly themes will help us explore nature and all its fascinating learning experiences. The children will also be busy as they make a special Father's Day gift. Also, during the summer months, some outdoor activities may involve water play. We will give you advance notice so that an extra change of clothes, or swimwear is provided that day. We are looking forward to a fun, exciting and busy first month of summer!

Hip Hip Hurray! **Annabella** is the Pre K 3 Star of the Month! Annabella is a brown haired brown eyed beauty with quite an eye for fashion. She is learning how to write her name and she knows all her shapes and colors! Keep up the good work Bella! We love you!!!
