Pre K 4 News

In February we're "Taking Care of Me," as we talk about different things that we can do to stay healthy. This month is a busy one! With a visit from the dentist, talking all about Groundhogs day and Presidents day, our little ones will be kept on their toes with what will happen next! Our first week's theme is "What Time Is It." We hope the children will be asking that question when they come home. We'll be introducing how to tell times, what the hands on the clock stand for, and we'll even make our own clock. "Healthy Heart" is the theme for the second week, where we'll be discussing exercise, how the heart muscle works, and the importance of staying in tip-top shape. We will also be doing plenty of crafts, and activities to better explain the ways we can stay healthy. "Good Foods to Eat," is how we will spend the third week of February. The children will learn the difference between sweet treats and healthy foods! "Smile, Dental Week!" is how we spend the last week of February. Not only will we be concentrating on keeping our teeth clean, but we'll also think back to our visit from the dentist earlier in the month. It is shaping up to be a great month.

Alexis is our Pre K 4 Star of the Month! This brown haired brown eyed cutie has just the sweetest personality. Lexi always has a smile on her face every time she comes to school! She is always very well behaved and is always being a great friend to her classmates! Lexi has grown into a smart little girl! She has mastered writing her name on her own and is even learning how to sign it in sign language too! This little cutie has quite the personality! She always has funny stories that she likes to share with her friends and teachers. Congratulations Alexis!
