In February we're "Taking Care of Me," as we talk about different things that we can do to stay healthy. This month is a busy one! With a visit from the dentist, talking all about Groundhogs day and Presidents day and even an Ice Cream Social for Valentine's Day, our little ones will be kept on their toes wondering what will happen next! Our first week's theme is "Smile, Dental Week!" Not only will we be concentrating on keeping our teeth clean, but we'll also think preparing ourselves for a visit from the dentist during the following week. "Healthy Heart" is the theme for the second week, where we'll be discussing exercise, how the heart muscle works, and the importance of staying in tip-top shape. We will also be doing plenty of crafts, and activities to better explain the ways we can stay healthy. "Good Foods to Eat," is how we will spend the third week of February. The children will learn the difference between sweet treats and healthy foods! "What Time Is It?" is how we will spend the last week of February. We hope the children will be asking that question when they come home. We'll be introducing how to tell times, what the hands on the clock stand for, and we'll even make our own clock. It is shaping up to be a great month!
