These will be read and sang during Circle Time as well as throughout the day during play time. These babies will also be getting messy and creative with so many different crafts and activities including finger painting hearts, making red apples with tissue paper, playing with cool whip and even painting with Jell-O. These babies will definitely be exploring many new textures with these fun filled activities. Where our cubbies are, what each learning center consists of, how to use different toys, etc. The goal this week is to help the children adjust to their new classroom and get to know how everything works. The third week's theme is *Friendship*. During this week we will be focusing in on getting to know one another. We will learn each other's interests and begin forming new classroom friendships. Our final week this month will be all about *Apples*. We will hold an apple tasting party at the end of the week so look for a signup sheet outside your child's classroom.
