

# BUNNY BUNCH NEWSLETTER

JULY 2025

## Star Teacher

We are excited to recognize Miss Lexi as this month's Star Teacher of the Month! While she's officially been working at Bunny Bunch for a few years now, Miss Lexi has been part of our family since she was a little one herself—she's a proud Bunny Bunch Pre-K graduate!

Miss Lexi is one of our outstanding teacher aides at Townline who always goes above and beyond. She has a natural gift for connecting with kids, every child she works with feels loved and special. What we especially love about Miss Lexi is her incredibly positive attitude. Her energy is contagious, her smile is constant, and her creativity brings so much fun to the classroom. Whether it's a new game, craft, or activity, Miss Lexi is always thinking of ways to make the day exciting and meaningful for the kids. It's clear to anyone watching that she genuinely enjoys being with the children, and her patience and caring nature shine through in everything she does.

Her dedication is especially evident this summer, as she's been working closely with our summer camp kiddos. From coming up with fun, engaging activities to sitting down and playing with the children one-on-one, Miss Lexi makes sure each child feels included, supported, and happy. It's already shaping up to be an amazing summer thanks to her! Miss Lexi is not only loved by the children, but also by every staff member who works with her.

She is reliable, hardworking, kind, and an absolute joy to have on our team. We truly cannot say enough good things about her. Thank you for all that you do, Miss Lexi!! We love you!!!

## Upcoming Events

July 8<sup>th</sup>: Power Authority Visit

## Happy Birthday

Dominick is turning 2!

Lincoln is turning 4!

Grayson is turning 5!

## Star Students

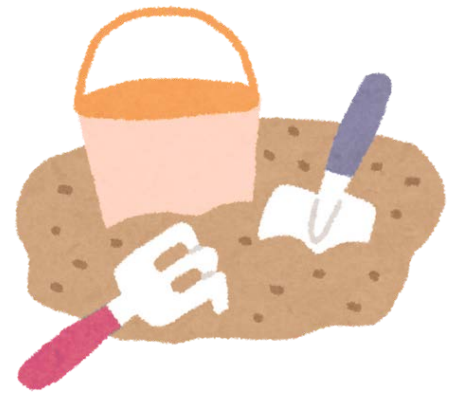

Infant Room: Winter

Toddler Room: Thomas

Pre-K 3: Scarlett

# INFANT ROOM

## JULY NEWS

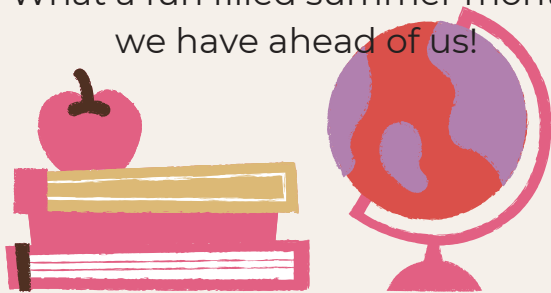

### Monthly Theme

The babies will be busy exploring fish and all the different sea animals there are under the sea.

They will be listening to stories such as "Fourth of July Mice", "I'm a Shark", "Beach Day", and "Peanut Butter & Jellyfish".

Some of the exciting activities planned for our little ones are Bumble Bee footprints, handprint fireworks, handprint crabs, color and do-a-dot a goldfish, paint a frog and glue cheerios on a starfish. They will also be getting their tiny little fingers wet with water play. We will be going for many outdoor walks to enjoy as much fresh air as possible! Just a friendly reminder: if you haven't done so already, please bring in a bottle of sunscreen for your child to use while going outside. Thank you! What a fun filled summer month we have ahead of us!

### Important Notes & Reminders

--Tie-Dye t-shirts are due by June 6<sup>th</sup>! The children will all wear these shirts during our Family Picnic on June 18<sup>th</sup>!

--Don't forget to send in sunscreen (non spray) for your child to be used during the summer and fall!

--We will be sending home any swaddles or sleepsacks at the end of each week to be washed. Thank you!

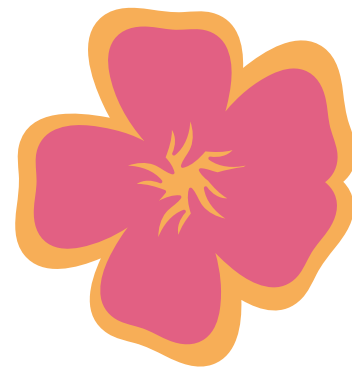

--Don't forget to label any bottles, sippy cups, pacifiers, and any other items your child brings in with first and last names.

### Star Student

Congratulations to our  
Infant Room star of the  
month,  
**Winter!**

# INFANT ROOM STAR STUDENT

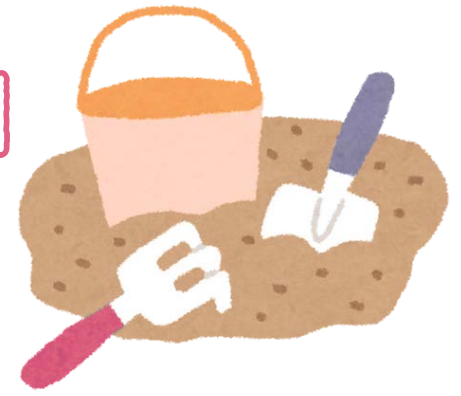

We are so excited to celebrate Winter as our Star of the Month! At just a year and a half, Winter has truly blossomed in our care, and we couldn't be prouder of her growth.

Over the past couple of months, she has become incredibly talkative, learning and repeating so many new words each day. Her motor skills have come such a long way, and she is flourishing in every area of her development. Winter is a very sweet and caring girl who loves to help both her friends and teachers. She's always eager to lend a hand and spread joy with her warm personality. Her days are filled with creativity — whether she's coloring, crafting, or diving into messy fun with paint or do-a-dots, Winter's artistic side shines through. Craft time is definitely a favorite part of her day! She loves engaging in sensory play, building with connecting toys, playing with vehicles and dolls, and reading stories or flipping through books to look at the pictures. Winter's love for learning and exploration is contagious, and her happy, positive spirit lights up the entire room. Her affectionate nature and bright smile make her a joy to be around.

As Winter gets ready to move up to the Toddler Room, we know she will continue to thrive and shine. While we will miss her dearly, we are so excited to see all the amazing things she'll do next. Winter, you are truly a star, and we are so lucky to have been part of your journey! Congratulations Winter! Keep up the great work! We love you!!!

# TODDLER ROOM

## JULY NEWS

### Monthly Theme

We start the month off with “Ocean Fun” where these little ones will be busy learning all about the underwater world. They will be reading many fish related stories as well as doing a shark, octopus and jelly fish craft! The toddler room will be swimming along during “Tropical Fish” week. There will be sandcastles, fishbowls and many, many colorful fish activities made during this week.

We will have a lot of fun during “Beach Days” where the children will be busy painting seashells, along with making beach scenes and sand crabs.

We will end the month with “Fun with Water”. The toddlers will be doing so many fun crafts with water such as painting with watercolors and ice cubs as well as some cool water table fun! We have planned a water day each week for the month of July as well as a bike day so be sure to be on the lookout for dates as they quickly approach! What a great way to kick off summer!

### Important Notes & Reminders

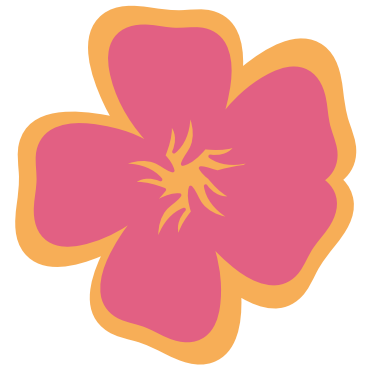

- Don't forget to send in sunscreen (non spray) for your child to be used during the summer and fall!
- We are asking that each child bring in a blanket for themselves for nap time. We will be sending them home at the end of each week to be washed.
- Don't forget to label any bottles, sippy cups, pacifiers, and any other items your child brings in with first and last names.

### Star Student

Congratulations to our  
Toddler Room star of  
the month,  
**Thomas!**

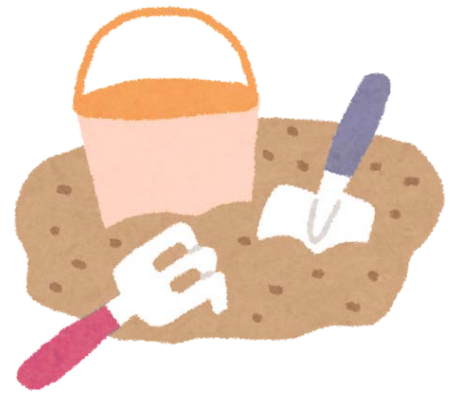

# TODDLER ROOM STAR STUDENT

We are thrilled to recognize Thomas as our Star of the Month! Thomas recently turned 2 years old and has been part of the Bunny Bunch family since he was a baby. It has been such a joy to watch him grow, especially during his time in the Toddler Room, where he has truly thrived in every way! Each day, Thomas impresses us with his participation during Circle Time — eagerly clapping along, reciting words from stories, counting, and singing the alphabet with enthusiasm. He knows his colors and shapes and is constantly surprising us with how many new words he's learning and using. Thomas is a bright and curious little boy with a love for learning that shines through in everything he does. When it's time to play, you can almost always find Thomas zooming around the room with his trucks — one of his favorite activities! He also loves spending time outdoors, where he enjoys running, climbing, and sliding with his friends. Whether he's dancing to his favorite songs, banging on the drums or xylophone, or getting messy with paint and art supplies, Thomas always brings energy, fun, and creativity to the room. He's also a big fan of books, especially ones with animals, and enjoys exploring with blocks, dinosaurs, and bubbles. Thomas has such a sweet, fun-loving personality and gets along with everyone — it's easy to see why all his classmates love playing and laughing with him! We're especially excited for Thomas as he prepares to become a big brother this year. We know he's going to be the most caring and loving sibling. Thomas, we are so proud of you and all the ways you've grown — you truly light up our days and we're so happy to have you as our Star of the Month! Congratulations Thomas! Keep up the great work! We love you!!!

# PRE-K 3 ROOM

## JULY NEWS

### Monthly Theme

We will be learning about a variety of different animals from all different environments. We start off the month with "The Rainforest" where the children will be going on a colorful adventure learning all about the different amazing animals found in the rainforest. They will get crafty making a parrot, cheetah, snake and a monkey! "Under the Sea" the children will be sure to enjoy all the different crafts and activities we have planned such as a rainbow fish craft, connecting the dots, crafting an octopus and making a starfish. We then switch gears and start to learn about "Pets". The children will share with their classmates what kind of pets they have at home and will learn all about the different types of pets one can have. We will finish off the month learning about "Zoo Animals". There will be many fun and exciting ways the children will be able to practice counting and learning their letters all while learning about the different exciting animals found in the zoo! We have planned a water day each week for the month of July as well as a bike day so be sure to be on the lookout for dates as they quickly approach!

### Important Notes & Reminders

We are going to be having some visitors come into our center for our Pre-K kiddos this summer, including the ice cream truck a few times. Keep an eye out for more information!

--Don't forget to send in sunscreen (non spray) for your child to be used during the summer and fall!

We are asking that each child bring in a blanket for themselves for nap time. We will be sending them home at the end of each week to be washed.

Don't forget to label any bottles, sippy cups, pacifiers, and any other items your child brings in with first and last names.

### Star Student

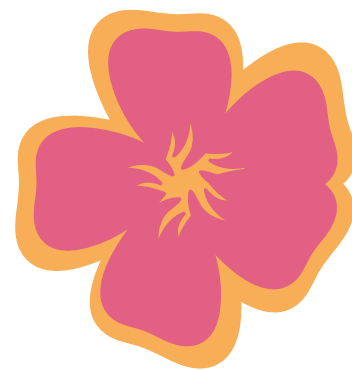

Congratulations to our  
Pre-K 3 star of the  
month,  
**Scarlett!**

# PRE-K 3 ROOM

# STAR STUDENT

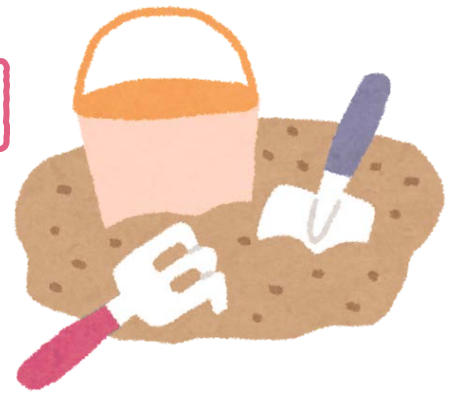

We are so excited to celebrate Scarlett as our Star of the Month! At 3 years old, Scarlett has been a part of the Bunny Bunch family since she was in the Infant Room, and it has been such a joy to watch her grow into the bright, kind, and curious girl she is today. Scarlett has learned and accomplished so much during her time with us — she can already spell her name and is working so hard on writing it all by herself! She's a dedicated and enthusiastic participant during Circle Time each day, where she shows off her knowledge of letters, numbers, shapes, and more.

Scarlett absolutely loves story time with her teachers and enjoys repeating the words she hears, building her confidence and vocabulary. She is incredibly imaginative and creative — whether she's playing in the kitchen center, caring for baby dolls, dressing up, or building with magnets, Scarlett always brings excitement and joy to every activity. Her colorful artwork during craft time is a beautiful reflection of her personality and creativity. What makes Scarlett even more special is her sweet and friendly nature. She always greets others with a big smile and happily introduces herself to make everyone feel welcome. She gets along with everyone she meets and has a wonderful way of spreading kindness and happiness wherever she goes. Scarlett is also quite the athlete! She lights up with excitement when it's time to go outside and loves showing off her soccer skills and energy on the playground. With her eager attitude, love of learning, and joyful spirit, there is no doubt that Scarlett is going to achieve amazing things this year. Scarlett, we are so proud of all you've learned and can't wait to see how much more you'll accomplish.

You truly are a shining star! Congratulations Scarlett! Keep up the great work! We love you!!!

# PRE-K 4 ROOM

## JULY NEWS

### Monthly Theme

We start out this fun filled month with "Patriotic Week". To help prepare for the fourth of july these children will be taking part in many Firework painting experiences, making a paper rocket and creating a firework in a jar. We then move into "Science week". The children will be busy experimenting with different objects and learning whether they sink or float when placed in water, brainstorming what they would do if they were a scientist and mixing together corn starch and water to make oobleck! Next, the children will be acting like pirates while making an exploding treasure chest, creating a treasure map and going on a treasure hunt during "Pirate" week. We then jump into "Young Chef" week. We will be learning about the food pyramid while making many different yummy foods for the children to snack on. We then finish off the month with a "Water Fun" week where they will learn about the water cycle, see what 100 drops of water looks like and each will take part in the ziplock and pencil experiment! We have planned a water day each week for the month of July as well as a bike day so be sure to be on the lookout for dates as they quickly approach. What a fantastic and fun filled summer month!

### Important Notes & Reminders

We are going to be having some visitors come into our center for our Pre-K kiddos this summer, including the ice cream truck a few times. Keep an eye out for more information!

--Don't forget to send in sunscreen (non spray) for your child to be used during the summer and fall!

Please make sure your child's water bottle is labeled with their first and last name, Thanks!
