Star Teacher

We are thrilled to recognize Christiana as our Star Teacher of the Month at our Ward Road location! Since joining Bunny Bunch at the end of 2023, Christiana has quickly become an invaluable member of our team. Her dedication, warmth, and positive attitude shine through in everything she does, making a lasting impression on both the children and her fellow staff members. Christiana primarily works in our Infant Room, where her gentle care and attentiveness ensure that even our youngest learners feel safe, loved, and engaged. However, her versatility and willingness to help wherever needed have made her a trusted and respected presence in every classroom she steps into. Whether she's comforting a baby, playing with toddlers, or helping a coworker, Christiana always brings a bright smile and a can-do spirit. Her afternoons are spent not only caring for our children but also making sure our classrooms are set up for success the next day—an often-overlooked task that she handles with incredible diligence and pride. Christiana consistently goes above and beyond to create a welcoming, fun, and safe environment, and her natural ability to connect with both children and adults is truly special. We are beyond grateful to have Christiana as part of the Bunny Bunch family. Her contributions make a difference every single day, and we honestly don't know what we would do without her. INFANT ROOM STAR STUDENT

This month, we are so excited to celebrate sweet **Brooklyn** as our Star of the Month—just in time for her very first birthday! Brooklyn has blossomed so much since joining our classroom. She's not only growing quickly but also developing an incredible personality that we all adore. Her bright smile, stylish outfits, and signature adorable bow make her a shining light in our day! This curious and clever girl is always on the move—crawling at lightning speed across the room and pulling herself up with such determination and pride. She shows such enthusiasm for learning, especially during Circle Time, where she loves exploring shapes, colors, and listening to story after story with wide-eyed wonder. Brooklyn has a special love for anything musical—whether it's shaking instruments, tapping toys that make noise, or rolling balls around the room with giggles of joy. She's not afraid to get messy during craft time either—paint is definitely her favorite creative tool! What makes Brooklyn truly special is her sweet, nurturing spirit. She plays so kindly with her little friends, is quick to share toys, and always keeps an eye on the younger infants to make sure they're doing okay. Her gentle heart and joyful energy make her a true friend to all. We are so proud of everything Brooklyn has accomplished and can't wait to see all the amazing things her second year will bring. She is such a joy to have in our class, and we are so lucky to watch her grow! Congratulations Brooklyn! Keep up the great work! We love you!!!
